

Dear Valuable Friends of International Dunnage,

Since our establishment back in 2004, International Dunnage has become one of the leading players in the dunnage bag market with uncompromising commitment to provide the best and most cost-effective load protection solutions globally. The safety and security of cargo on board has been our utmost priority.

Over the years, we have been leveraging our strengths in extrusion, weaving and manufacturing to serve our customers, as an integrated production company serving the global market through regional distribution centers. Our global footprint, which comprises of multiple production centers, warehouses and a wide distribution of sales offices throughout the world, enables us to serve our customers with short lead times, fast delivery and reduced freight costs. We serve each customer with highest dedication and responsibility.

Quality is our highest priority and is carried out at every stage of the production. Our products are manufactured under strict ISO 9001 standards, tested stringently and verified by AAR.

Each bag is manufactured with special care; cutting, heat sealing, and sewing processes utilize the latest technology and equipment at our state-of-art facilities. We take pride in our compliance and testing procedures.

Our Group endeavors to offer high quality products packaged with superior service and acts socially responsible to create value in securement. efficiency and sustainability to have a safer world. Our mission is to extend our trajectory into the future and continue to serve as one of the leading global players in the load securement industry by providing the best value to our customers.

Our talented employees and strong management team set the foundation of our successful business. On behalf of our Board of Directors. I would like to appreciatively thank all of our employees for their hard work and contribution to our Company, and our valuable customers who we deem as partners in our mutual success.
